Leslie Goldberg

Sir:

**AMENDMENT**

In response to the Office Action dated June 20, 2003, in which a restriction requirement under 35 U.S.C. §§121 and 372 was made, Applicants submit the following response.

12/30/2003 ZJUHR1 00000074 09937187

01 FC:2202 9.00 OP  
02 FC:2203 145.00 OP  
03 FC:2255 1005.00 OP

In the Restriction Requirement, the Examiner determined that the 20 claims as filed encompassed 10 groups corresponding to the 10 independent claims.

In order to more distinctly claim the invention from one independent claim, the claims 1-20 have been canceled and new claims 21-39 have been added including one independent claim only. No new subject matter is believed to have been added. Applicants respectfully request that the Examiner examine these claims as a single invention.
